

# StairMaster Gauntlet 8Gx

SKU: CV-ST-003

---

The Stairmaster Gauntlet features a wider and deeper step surface for improved comfort and stability. Its durable, rust-free polypropylene build is easy to clean and maintain, making it ideal for busy gym environments. The Gauntlet is available with three console options: Smart, Affordable, Flexible, and OpenHub. Each console provides a different level of connectivity and performance tracking to suit various user needs. Combining proven quality with innovative design, this machine delivers one of the toughest and most effective cardio workouts in the gym.
