

Endurance Series T6 Treadmill

SKU: **GG-ENDUR-TR6-LED**

Built for connected performance, the T6 treadmill from the Endurance range pairs cutting-edge functionality with a modern aesthetic. Powered by a 4.5HP motor, it reaches speeds of up to 24 km/h and features a motorised incline and durable HST resin board for smooth, consistent workouts. Designed to integrate seamlessly with SmartFocus, the T6 supports Bluetooth FTMS connectivity, allowing users to sync with fitness apps, track progress, and enjoy interactive features. The large Matrix LED display ensures clear visibility of performance metrics, while the spacious running surface offers a secure and comfortable training platform.
