

Endurance Upright Bike

SKU: **GG-ENDUR-UB**

Comfort meets performance in the Endurance upright bike, designed to deliver a smooth ride with smart connectivity and ergonomic support. With horizontal and vertical seat adjustment, users can find their ideal position to ensure proper alignment of hips, knees, and pedals. This alignment reduces strain, boosts riding efficiency, and supports longer sessions with less fatigue—ideal for both casual users and focused training. Integrated Bluetooth and GymLoop compatibility allow real-time progress tracking, fitness app sync, and access to virtual cycling routes or classes to keep motivation high. Thoughtfully built for stability, comfort, an...
