

Endurance Touch Treadmill

SKU: **GG-ENDUR-TRE-19**

Designed for performance and versatility, the Endurance Touch treadmill delivers a premium cardio experience with advanced tech and modern aesthetics. With SmartFocus and GymLoop connectivity, users gain access to personalised workouts, real-time tracking, and entertainment, while gym operators benefit from live usage data and maintenance alerts. Equipped with a powerful 5CV motor, this treadmill reaches speeds of up to 25 km/h and offers both incline and decline functionality for varied training. The durable HST resin deck and spacious running surface ensure smooth, responsive movement, even under heavy use.
