

Encore Recumbent Bike

SKU: **GG-ENC-RB**

The Encore Recumbent Bike is designed for up to 5 hours of use a day, making it ideal for any home or light commercial gym. Designed with comfort in mind, the Encore Recumbent Bike features multi-position Comfort Grip handlebars and a contoured and ventilated mesh back seat that enhances airflow and offers comfort to the user. The Step-through design with a wrap-around coloured seat adjustment handle allows quick and easy seat adjustments. The Recumbent Bike has an oversized bottle holder and the phone bracket is conveniently located. Unique embedded pocket offers more options for users to keep belongings. The user-friendly console has a L...
