

Vertical Hex Dumbbell Rack for 10 Pairs

SKU: **GG-DRACK-010**

Compact vertical storage for up to 10 pairs of hex dumbbells keeps your training area organised while saving valuable floor space. The durable steel frame provides reliable support for daily gym use, while the open A-frame design allows fast and easy access to each weight. Stores up to 10 pairs of hex dumbbells to keep free weight areas tidy. Ideal for 1-10kg rubber hex dumbbell sets commonly used in studios and gyms. Vertical A-frame design saves floor space while keeping weights accessible. Open sides allow quick lifting and re-racking during workouts. 1.5mm heavy gauge steel frame built for reliable commercial use. Suitable for...
