

Classic Series Adjustable Abdominal Bench

SKU: **GG-CLASSIC-005**

Adjustable decline positioning helps users increase or reduce core training intensity with ease. Built for commercial gyms, this abdominal bench delivers stable support for daily ab work and decline exercises. Targets the abdominals and core for focused strength training. Heavy-duty steel frame supports demanding commercial use. Adjustable bench angle allows varied exercise intensity. Integrated foot support helps keep users secure during reps. Padded contact points improve comfort through every set. Commercial rating suits gyms, PT studios and education facilities. Dimensions: L 172.2 x W 73.5 x H 89.8 cm
