

Classic Series Chin / Dip / Knee Raise

SKU: **GG-CLASSIC-012**

Multi-grip bodyweight training gives users more ways to build upper body strength and core control from one compact station. Built for commercial gyms, it supports pull-ups, chin-ups, dips, and knee raises with a stable, confidence-inspiring frame. Targets the back, arms, chest, shoulders, and core for complete bodyweight training. Multiple grip positions allow varied pull-up and chin-up options. Integrated dip handles support controlled upper body strength work. Padded arm rests and back support improve comfort during knee raises. Wide-base heavy-duty steel frame keeps training stable under repeated use. Elastostatic powder-coate...
