Free Flow Bulk Container

SKU: PVFC48414503

View product on palletsandbins.com

PRODUCT OVERVIEW

The Free Flow 445 is a single-wall, one-piece plastic bulk container with a welded-on pallet, designed for the meat, poultry, and food industries, including ground meats, trimmings, and processed meat ingredients. Contoured corners and a smooth, flat interior bottom promote free product flow and eliminate collection points. With no metal hardware, it's a good fit for food processors. Molded from linear low-density polyethylene resin, it holds 38 cubic feet (281 gallons).

**** Containers are made to order, lead time is 2-4 weeks ****
