Heavy Duty Utility Cart

View product on palletsandbins.com

PRODUCT OVERVIEW

This rotationally molded plastic utility cart on wheels is built for moving light to heavy loads in warehouses, offices, laundry rooms, schools, restaurants, and other material handling settings. The one-piece design resists dents, scratches, stains, and rust, with a rolled top rim, reinforced rounded corners, and a flat smooth interior for easy cleaning. Two rigid and two swivel rubber casters with double ball bearing raceways make it easy to move. Available in three sizes from 15 to 25 cubic feet.

**** Items are made to order, lead times can be 4 - 6 weeks ****

Key Features

- **Three Sizes** – 15, 20, or 25 cubic feet (12, 16, or 20 bushels)
