

# Anti-TFAM (Transcription Factor A, mitochondrial) Antibody

## Product Details

|                    |                                                                                                                                                                                                                                                                                                  |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Available Variants | 100 µL (SKU:2001-TFAM)<br>25 µL (SKU:2001-TFAMt)                                                                                                                                                                                                                                                 |
| Conjugate          | Unconjugated                                                                                                                                                                                                                                                                                     |
| Isotype            | IgG                                                                                                                                                                                                                                                                                              |
| Gene Name          | TFAM                                                                                                                                                                                                                                                                                             |
| Host Species       | Rabbit                                                                                                                                                                                                                                                                                           |
| Format             | Neat Serum                                                                                                                                                                                                                                                                                       |
| Physical State     | Liquid                                                                                                                                                                                                                                                                                           |
| Buffer             | Neat Serum                                                                                                                                                                                                                                                                                       |
| Production Notes   | Neat Serum                                                                                                                                                                                                                                                                                       |
| Applications       | ELISA, WB                                                                                                                                                                                                                                                                                        |
| Dilution Ranges    | WB: 1:2000                                                                                                                                                                                                                                                                                       |
| Species Reactivity | Human, Mouse, Rat                                                                                                                                                                                                                                                                                |
| Immunogen          | Native recombinant mouse TFAM protein with c-terminal 6-his tag                                                                                                                                                                                                                                  |
| Specificity        | Specific for endogenous levels of the ~24 kDa TFAM protein.                                                                                                                                                                                                                                      |
| Molecular Weight   | 24 kDa                                                                                                                                                                                                                                                                                           |
| Quality Control    | Western blots performed on each lot.                                                                                                                                                                                                                                                             |
| Storage            | Recommended that the undiluted antibody be aliquoted into smaller working volumes (10-30 µL/vial depending on usage) upon arrival and stored long term at -20° C or -80° C, while keeping a working aliquot stored at 4° C for short term. Avoid freeze/thaw cycles. Stable for at least 1 year. |

|                      |                                                                                                                                                                        |
