

# Anti-Neuregulin-HBD (Heparin Binding Domain, Type I/II) Antibody FL550 Conjugate

## Product Details

|                    |                                                                                                                                                                                    |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Available Variants | 200 µL (SKU:75-225-FL550)                                                                                                                                                          |
| Conjugate          | FL550 Ex: 550 nm, Em: 575 nm                                                                                                                                                       |
| Isotype            | IgG2a                                                                                                                                                                              |
| Clone              | N120A/9                                                                                                                                                                            |
| Gene Name          | NRG1 GGF HGL HRGA NDF SMDF                                                                                                                                                         |
| Host Species       | Mouse                                                                                                                                                                              |
| Concentration      | Lot dependent: provided at 0.3-0.5 mg/mL                                                                                                                                           |
| Format             | Purified by Protein A chromatography                                                                                                                                               |
| Physical State     | Liquid                                                                                                                                                                             |
| Buffer             | PBS with 0.09% azide                                                                                                                                                               |
| Production Notes   | Produced by in vitro bioreactor culture of hybridoma line followed by Protein A affinity chromatography and conjugation of purified mAb. Purified mAbs are >90% specific antibody. |
| Applications       | ICC                                                                                                                                                                                |
| Species Reactivity | Human                                                                                                                                                                              |
| Immunogen          | Fusion protein amino acids 14-117 (extracellular N-terminus) of human Neuregulin-1 (accession number Q02297) produced recombinantly in E. Coli                                     |
| Specificity        | No cross-reactivity reported                                                                                                                                                       |
| Molecular Weight   | None Reported                                                                                                                                                                      |
| Quality Control    | Each new lot of antibody is quality control tested on cells overexpressing target protein and confirmed to give the expected staining pattern.                                     |

|                             |                                                                                                                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Storage</b>              | Aliquot and store at $\leq -20^{\circ}\text{C}$ for long term storage. For short term storage, store at $2-8^{\circ}\text{C}$ . For maximum recovery of product, centrifuge the vial prior to removing the cap. |
| <b>Antibody Registry ID</b> | AB_2939821                                                                                                                                                                                                      |
| <b>UniProt ID</b>           | <u><a href="#">Q02297</a></u>                                                                                                                                                                                   |
| <b>Country of Origin</b>    | United States                                                                                                                                                                                                   |
| <b>Shipping</b>             | Shipped on ice packs                                                                                                                                                                                            |
| <b>Expiration</b>           | 12 months from date of receipt                                                                                                                                                                                  |
| <b>Usage Statement</b>      | These antibodies are to be used as research laboratory reagents and are not for use as diagnostic or therapeutic reagents in humans.                                                                            |
