

# Anti-SynDIG1/Tmem90b Antibody FL650 Conjugate

## Product Details

|                    |                                                                                                                                                                                               |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Available Variants | 200 µL (SKU:75-251-FL650)                                                                                                                                                                     |
| Conjugate          | FL650 Ex: 655 nm, Em: 676 nm                                                                                                                                                                  |
| Isotype            | IgG2a                                                                                                                                                                                         |
| Clone              | L42/17                                                                                                                                                                                        |
| Gene Name          | Syndig1 Tmem90b                                                                                                                                                                               |
| Host Species       | Mouse                                                                                                                                                                                         |
| Concentration      | Lot dependent: provided at 0.3-0.5 mg/mL                                                                                                                                                      |
| Format             | Purified by Protein A chromatography                                                                                                                                                          |
| Physical State     | Liquid                                                                                                                                                                                        |
| Buffer             | PBS with 0.09% azide                                                                                                                                                                          |
| Production Notes   | Produced by in vitro bioreactor culture of hybridoma line followed by Protein A affinity chromatography and conjugation of purified mAb. Purified mAbs are >90% specific antibody.            |
| Applications       | ICC                                                                                                                                                                                           |
| Species Reactivity | Human, Mouse, Rat                                                                                                                                                                             |
| Immunogen          | Fusion protein amino acids 1-183 (cytoplasmic N-terminus) of mouse SynDIG1 (accession number A2ANU3) produced recombinantly in E. Coli                                                        |
| Specificity        | No cross-reactivity reported                                                                                                                                                                  |
| Molecular Weight   | 36 kDa                                                                                                                                                                                        |
| Quality Control    | Each new lot of antibody is quality control tested by western blot on rat whole brain lysate and confirmed to stain the expected molecular weight band.                                       |
| Storage            | Aliquot and store at $\leq -20^{\circ}\text{C}$ for long term storage. For short term storage, store at $2-8^{\circ}\text{C}$ . For maximum recovery of product, centrifuge the vial prior to |

removing the cap.

|                      |                                                                                                                                      |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Antibody Registry ID | AB_2939915                                                                                                                           |
| UniProt ID           | <u>A2ANU3</u>                                                                                                                        |
| Country of Origin    | United States                                                                                                                        |
| Shipping             | Shipped on ice packs                                                                                                                 |
| Expiration           | 12 months from date of receipt                                                                                                       |
| Usage Statement      | These antibodies are to be used as research laboratory reagents and are not for use as diagnostic or therapeutic reagents in humans. |
