

PVpallet Series X - 48x90 Industrial Plastic Pallet with Adjustable Sidewalls

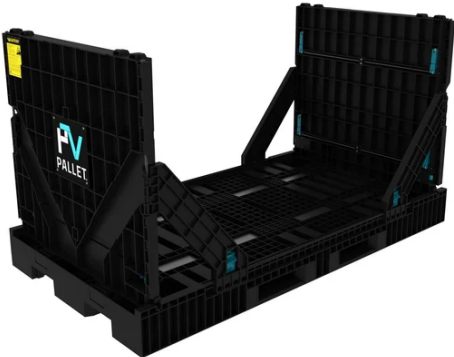

SKU: PVPP9048500000

PRODUCT OVERVIEW

This reusable shipping pallet is engineered for solar EPCs, manufacturers, and distributors who need a safe, efficient way to transport fragile products. Ideal for solar modules, glass panels, and windshields, the PVpallet Series X features adjustable sidewalls and a steel-reinforced base to reduce damage, cut packaging waste, and streamline your solar logistics.

Key Features

- Adjustable Sidewalls** – Expandable in 2" increments (63.5" to 83.5") to fit various solar panel sizes and secure cargo in place
- Steel-Reinforced Base** – Industrial-strength support for heavy loads while protecting fragile materials
- Stackable Design** – Stack 4 high in storage or 2 high in transit with zero weight on the product
- Reusable & Durable** – Built from high-quality materials to support circular supply chains and reduce landfill costs

Optimized for Solar Shipping and Handling

Whether you're a solar installer, manufacturer, or distributor, this pallet helps reduce product loss, cut landfill waste, and keep your supply chain running smoothly.
