

30x32x34 Medium-Duty Collapsible Bulk Container (2 Doors)

SKU: PVMB3230340000

PRODUCT OVERVIEW

The **30" x 32" x 34" Collapsible Bulk Container (BOS Bin)** is a versatile and durable solution designed for industries like automotive, food processing, retail, and general manufacturing. With a medium-duty construction and space-saving features, it's perfect for managing larger loads while maximizing efficiency in storage and transportation.

Key Features:

- Durable and Reliable:** Crafted from high-density polyethylene (HDPE), this container supports loads of up to 1,800 lbs. and is built to withstand the demands of industrial use, ensuring long-lasting performance.
- Optimized Design:** The 30" x 32" footprint and 34" height provide ample capacity for bulk storage while maintaining a compact profile for efficient use of space.
- Collapsible Construction:** Folds down flat when empty, saving valuable storage space and reducing return shipping costs, making it ideal for reusable packaging systems.
- Effortless Access:** Dual drop doors allow for quick and easy access to contents, minimizing handling time and improving productivity.
- Enhanced Handling:** Compatible with 4-way forklifts and pallet jacks, it streamlines material handling processes, improving operational efficiency.
- Eco-Friendly and Cost-Effective:** Manufactured from recyclable materials, this container supports sustainability goals while providing a cost-effective alternative to single-use packaging.
- Stackable Stability:** Designed for secure stacking, it maximizes storage and transportation efficiency while keeping products safe.

The **30" x 32" x 34" Collapsible Bulk Container** is an excellent choice for businesses looking to optimize material handling, reduce costs, and support sustainability initiatives. Whether you're storing automotive parts, food products, or retail goods, this bulk bin ensures reliable, efficient, and eco-friendly performance.
