# PVpallet Series X.L - 48x96 Industrial Plastic Pallet with Adjustable Sidewalls

SKU: PVPP9648500000

## PRODUCT OVERVIEW

Designed for strength, versatility, and maximum protection, the 48″ x 96″ Industrial Plastic Pallet with Adjustable Sidewalls (PVpallet Series XL) is built to safeguard fragile, high-value cargo during storage and transport. Whether you're moving solar panels, large glass sheets, or industrial equipment, this pallet minimizes damage risks while improving handling efficiency. Its adjustable sidewalls ensure a secure fit, while the steel-reinforced base provides exceptional stability under heavy loads.

### Key Features

- **Adjustable Sidewalls:** Easily customize sidewall placement in 2-inch increments to secure cargo of varying lengths, reducing movement and potential damage.
- **Steel-Reinforced Base:** Built for durability, the reinforced base adds strength and stability for safer handling of oversized or delicate loads.
- **Stackable Design:** Engineered for space efficiency, these pallets stack securely in warehouses and transit, optimizing storage and freight costs.
- **Durable & Reusable:** Constructed from high-quality industrial plastic, this pallet is a long-lasting, sustainable alternative to one-time-use packaging.

Ideal for solar installers, glass manufacturers, and distribution centers, this pallet provides a reliable, cost-effective, and eco-friendly solution for your supply chain.
