

45x45 Square Nestable Plastic Pallet – Xtreme Square-N

SKU: PVCP45450100N

PRODUCT OVERVIEW

The Xtreme® Square-N pallet is a lightweight, nestable plastic pallet designed for one-way shipping, export, and display applications. With a 45x45 square footprint, it provides excellent load stability while maximizing space in containers and warehouses. Made from recycled or virgin plastic, it offers a cost-effective, ISPM-15 exempt alternative to wood—ideal for retail, grocery, pharmaceutical, and export logistics.

Key Features

- 45x45 Square Footprint:** Balanced shape for stable stacking and efficient container use
- Nestable Design:** Nests tightly to reduce return freight and storage costs
- Single-Use Ready:** Lightweight and economical, perfect for one-way and export shipments
- Slip-Resistant Deck:** Provides added stability for product handling and in-store display
- Four-Way Forklift Access:** Compatible with forklifts and pallet jacks for easy handling
- ISPM-15 Exempt:** No heat treatment or fumigation required for international shipping
- Material Options:** Available in recycled (black) or virgin plastic (blue, red, green) to meet branding or regulatory needs

Why It Matters

If you're shipping products overseas or looking for a lightweight alternative to wood, the **Xtreme® Square-N pallet** offers the durability, handling efficiency, and sustainability today's supply chains demand—without the cost or hassle of return logistics.
