

Uni-Pak 40x48x45 Sleeve Pack Container (no drop door)

SKU: PVHB4048450000

PRODUCT OVERVIEW

The Uni-Pak Sleeve Pack Container is built for strength, efficiency, and long-term use in demanding industrial environments. It combines a rugged plastic pallet base, a triple-wall corrugated cardboard sleeve, and a secure top cap to create a reusable, collapsible container that protects your products while saving space and reducing waste.

With no drop door, this model offers full sidewall strength and added durability—ideal for heavier or high-value loads. The container supports up to 1,800 lbs, stacks securely, and collapses down with a 7:1 nesting ratio to optimize storage and return freight.

Key Features

- 40" x 48" footprint, 45" overall height
- Heavy-duty corrugated cardboard sleeve (white)
- Durable HDPE pallet base and lid (black)
- No drop door for full enclosure and extra strength
- 1,800 lb capacity with excellent strength-to-weight ratio
- 4-way forklift and pallet jack entry
- Easy to assemble, collapse, and reuse
- Stackable when full, nestable when empty
- 100% recyclable construction

Perfect for manufacturing, warehousing, and distribution, this pallet pack is a reliable, space-saving alternative to single-use containers, designed for efficient handling, worker safety, and years of dependable performance.
