30x32x25 Used Medium-Duty Collapsible Bulk Container (2 Doors)

SKU: PVJB3230250000R

PRODUCT OVERVIEW

Same proven performance, lower price. Our reconditioned BOS Bin handles loads up to 1,800 lbs., folds flat when not in use, and drops right into your existing forklift and pallet jack workflow — at a fraction of the cost of buying new.

Units may show cosmetic wear or scratches consistent with prior industrial use. Performance and structural integrity are not affected.

Our Reconditioned Promise Every unit undergoes an extensive process of inspection, repair, and sanitization, meeting our strict quality standards, and is guaranteed fully functional before it ships. Interior dimensions may vary between containers, so we advise checking upon receipt. All specifications are approximate; product images are for general reference only.

Key Features

- Collapsible, space-saving design — folds flat to cut storage and shipping costs
- HDPE construction — supports up to 1,800 lbs.
- 4-way forklift and pallet jack compatible
- Dual drop doors for fast, easy access
- Stackable for maximum warehouse and transport efficiency
- Recyclable and reusable — reconditioned extends that value further

Ideal for automotive, retail, food processing, and general manufacturing operations.
