

56x44 Beverage Pallet

PRODUCT OVERVIEW

This 56x44 plastic pallet is built specifically for the beverage industry, where a low-profile 7-runner design and durable deck stand up to the wash-down cycles, moisture exposure, and repetitive handling common in beverage production and distribution. Rated for 15,000 lbs static load, it's available with either a solid deck (no grommets) or a 28-grommet configuration for drainage and airflow, depending on your bottling or canning line requirements.
